"Made for iPod®" means that an electronic accessory has been designed to connect specifically to iPod® and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. iPod® is a trademark of Apple Inc., registered in the U.S. and other countries.

#### Control Zone

For added peace of mind, our Control Zone features a sensor that stops the step rotation when triggered by an object or person.

#### Removable Access Panel

All Matrix ClimbMills feature an access panel that can be quickly removed using a common coin for easy serviceability. An integrated service light provides visibility of internal components.

#### Ergo Form Grips

Our Ergo Form Grips with integrated pause/stop and resistance controls to enhance comfort and make it easier to make workout changes on the fly.
